***Uniting in Worship* provides rich and innovative resources for worship. It is a marvellous combination of traditional and contemporary services. It offers extraordinary flexibility to those who lead worship; it is a rich source for private devotion and prayer.**

***A Guide to Uniting in Worship* is a comprehensive commentary. It shows how *Uniting in Worship* lies within the Reformed tradition yet is open to contemporary forms of worship. But the *Guide* is more than a commentary; it is an invitation to make worship come alive, an opportunity for the Uniting Church to praise God in new and wonderful ways.**

Robert Gribben is a Uniting Church minister. He studied at Melbourne and Cambridge and has lectured in liturgy, ecumenism and mission in England, Switzerland and Australia.

He is Executive Secretary of the Victorian Council of Churches.
